

## **Enlighten Learning Trust**

### **Estates Vision:**

- to keep students safe and maximise the learning opportunities for them by timely, accurate and proactive management of the schools' estates
- continually developing the skills and capacities of our people and our organisation ensure the safety and security of all school users and visitors
- developing an Estate Strategy that will provide an aspirational, vibrant and creative environment appropriate for the students in each school
- providing services to assist in Estates and Health and Safety management support, and change management e.g. managing the additional resources available due to the change in Pupil Admissions Number (PAN) at St Andrews
