## Introduction

The Board of Trustees of Enlighten Learning Trust has accountability for ensuring the Trust meets its charitable objectives and responsibility for setting the direction of the Trust, ensuring that it is solvent, compliant and delivers the Trust's charitable objectives for the benefit of the public.

The Board, under the Articles of Association 'may delegate any of their powers or functions to any Trustee, committee (including any Local Governing Body), the [Chief Executive Officer] or any other holder of executive office. Any such delegation shall be made in writing and subject to any conditions that the Trustees may impose and may be revoked or altered.'

This Scheme of Delegation is the written record of the delegated responsibilities and is designed to assist all those involved, namely:

- Members
- Board of Trustees
- Committees of Board of Trustees
- Local Governing Bodies
- CEO
- Headteachers

This document is intended to ensure a consistent approach across the Trust and demonstrate transparency. As far as possible, all schools within the Trust will have the same level of decision making although some will in some instances be required to work more closely with the Trustees and executive team by agreement.

## Conflicts

In the event of a conflict between any provision of this Scheme of Delegation and the Articles, the Articles will prevail.

## Review

The Trustees will review this Scheme of Delegation at least on an annual basis and alter any provision of it.

In considering any material changes to the Scheme of Delegation or any framework on which it is based, the Trustees will have regard to and give due consideration of any views of the Local Governing Bodies and the Diocese.
